

Waddell Media

is producing a documentary series on infertility issues in Northern Ireland to be transmitted on BBC Northern Ireland.

We are looking for couples who are currently experiencing fertility problems, and who might be thinking of undergoing fertility treatment, to share their story with us. We understand that this is a delicate and personal subject but any contributors who do come forward will be treated with the utmost sensitivity.

If you would like to find out more information please contact Edel on 02890 427 646 or email edel@waddellmedia.com
